Healthscreen is dedicated to improving the health and quality of life of all Canadians.

Through a series of innovative services and clinical software, we help physicians enhance their practices and deliver the highest level of patient care. >> [Read More](#)

"Excellent service. There was certainly a lot of hesitation on our part to do this, but CallerMD made it so easy. It's working great!"

~Dr. Robin Pellow

Justin Belobaba, President & CEO

[Email Justin](#)
 1-866-534-DOCS ext. 7015

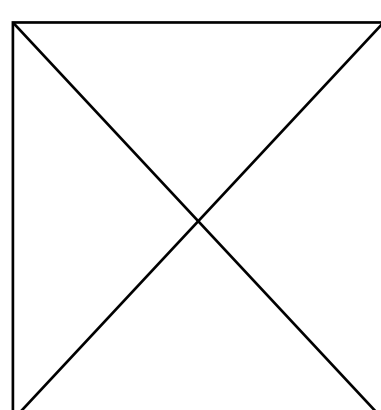

Justin gained his financial experience in the investment banking department of HSBC Securities Inc. In 2001, he founded toMarket Inc., a company that provided wireless payment terminals and administrative software to the Canadian transportation industry.

In 2004, Justin co-founded Medical Telecom Corporation (MTC). As CEO of MTC, he led the company to 1,000% year-over-year growth in both 2005 and 2006, while developing the CallerMD product, and securing agreements with the Ontario Medical Association sections on Family Practice and Pediatrics, and the Coalition of Family Physicians.

Justin takes over from Dr. Bruce Rosenberg as President & CEO, and his proven ability to manage rapid expansion will be essential to Healthscreen's success as he leads the company into its next phase of growth.

Justin is a magna cum laude graduate of Harvard University, with a degree in Economics, and is a member of the academic honours society Phi Beta Kappa. — 640px —

Dr. Bruce Rosenberg, Vice President and Privacy Officer

[Email Bruce](#)
 1-866-534-DOCS ext. 7228

A practicing physician in St. Catharines, Dr. Bruce Rosenberg founded Healthscreen in 1992.

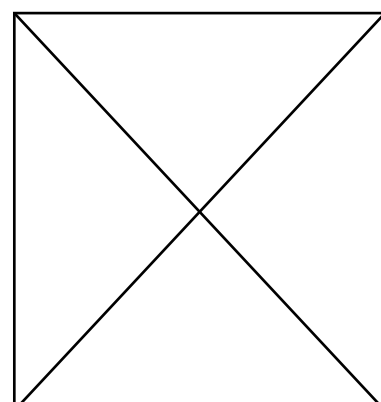

Bruce is Chair of the Ontario EMR Vendor Working Group, Chair of the Niagara Walk-in Clinics Association, Medical Director for the Henley Rowing Corporation, as well as a member of many other medical and information technology associations.

He received his medical degree from the University of Saskatchewan and studied emergency medicine in Michigan.

Bruce's move from CEO of Healthscreen to Vice President of Business Development will allow him to dedicate his energies on his two primary areas of interest and expertise - acquisitions and additional revenue streams.

Since 1995, Bruce has acquired fourteen medical software companies and has developed five new products. In his new role, he will increase Healthscreen's focus on these two key areas.

Terry Boyko, Vice President of Sales

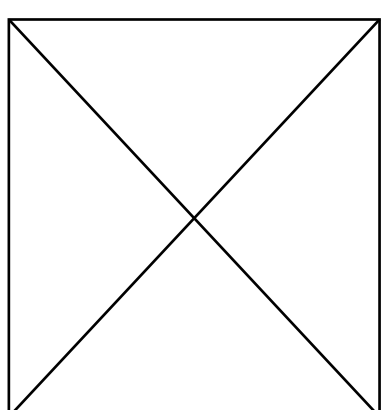

[Email Terry](#)
 1-866-534-DOCS ext. 7051

Terry Boyko spent the last 10 years with IKON Office Solutions. He is a proven leader, a highly competitive sales executive, and a unique and dedicated motivator, who grew from Field Sales as a perennial "National Award Winner" to most recently Director of Sales & Marketing, where he oversaw sales and marketing functions for IKON's Canadian operation.

Terry has extensive experience selling organizational workflow, professional services, and the associated hardware requirements to businesses across Canada. His experience building and managing sales teams and sales processes will be a key asset in executing Healthscreen's aggressive nationwide expansion plans.

He received his BA from McMaster University.

Adam Hutton, Vice President of Operations

[Email Adam](#)
 1-866-534-DOCS ext. 7001

Adam Hutton worked in the Marketing & Sales Department of HSBC InvestDirect (formerly Merrill Lynch HSBC) from 1999 to 2001.

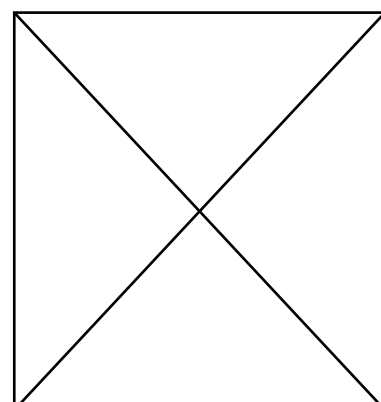

In 2001, he co-founded toMarket Inc., where he played a major role in the development and deployment of its web-based credit card settlement system.

In 2004, Adam co-founded Medical Telecom Corporation, serving as its Vice President of Operations.

Healthscreen will benefit greatly from Adam's proven ability to manage a wide range of duties, as well as build from scratch automated systems and processes that maximize revenue and operational efficiency.

Adam graduated with honours from Queen's University where he studied Economics.

Martin Ross, Vice President of Technology

[Email Martin](#)
 1-866-534-DOCS ext. 7000

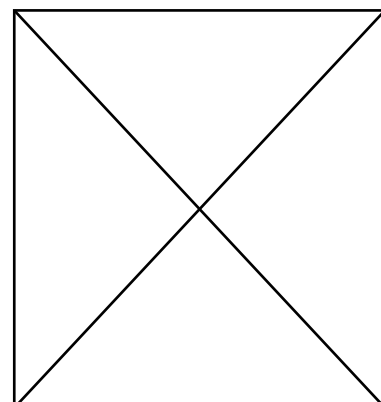

Martin Ross has over a decade of experience in information technology and software development. Prior to Healthscreen, he developed robust financial systems for Goldman Sachs (New York & Hong Kong) in their Global Derivatives Technology group.

In 2004, he co-founded Medical Telecom Corporation as Vice President of Technology.

Martin's exceptional capabilities in systems architecture will prove invaluable to Healthscreen's suite of products and services.

Martin has a B. Sc. in Computer Science from the University of Toronto.

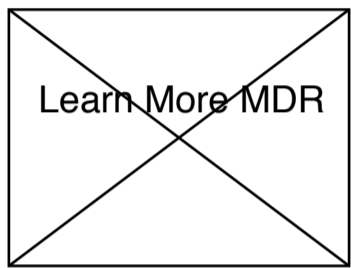

Eugene Bomba, Controller

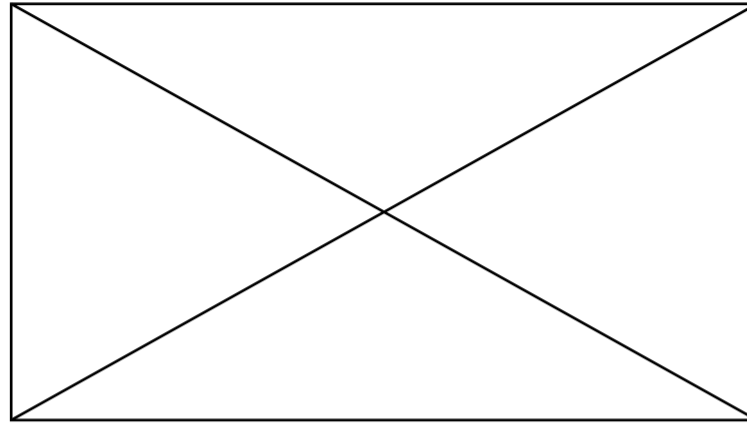

[Email Eugene](#)
 1-866-534-DOCS ext. 7007

Prior to joining Healthscreen, Eugene gained his finance and accounting experience working in both the Audit and Financial Advisory divisions at PricewaterhouseCoopers LLP. Eugene obtained his Chartered Accountant designation in 2006 and is a member of the Canadian Institute of Chartered Accountants and the Institute of Chartered Accountants of Ontario. Eugene graduated with Distinction from the University of Toronto where he earned a Bachelor of Commerce degree, with a concentration in Management and Economics.
