Online Classes

All notices will be featured at the top, like this box.

This page is intended to give distance students a way to make initial contact with their instructors after registering for class. For more details, consult the current [NPC Course Catalog](#).

Special Note: Some courses require students to pay a fee for use of electronic textbook materials. This fee will be charged upon initial login to the online course. Contact the instructor for details.

As an NCP online student, you may be required to attend on-campus hands-on laboratory sessions, or complete examinations at approved test monitoring sites. See course syllabus or contact the instructors for details.

If you need additional information, please contact your instructor or list of [Frequently Asked Questions](#).

Financial Aid & Scholarships

NPC offers financial aid assistance in the form of federal grants, federal work-study, institutional and private scholarships. The purpose of financial aid is to assist students and their families who have documented need with educational expenses, such as tuition and fees, books and supplies, room and board, transportation and personal expenses when their own resources are inadequate to cover such costs. However, the primary responsibility for financing a college education lies with the student and his and her family.

Financial Aid

The first step in determining financial assistance is for students to complete the Free Application for Federal Student Aid (FAFSA) or a Renewal FAFSA (for continuing students). The FAFSA must be completed each school year.

The FAFSA application is available at <http://www.fafsa.ed.gov>. NPC's federal school code is: 011862

NPC does not participate in any Federal Student Loan Programs including Stafford, FFEL, PLUS, Perkins and Direct Loans.

Scholarships

Scholarship application procedures and requirements vary, but most require a Letter of Interest, which explains your educational or career goals, and how the scholarship would help you to achieve them.

[Download the Scholarship Letter of Interest Form](#) and use it without change for NPC scholarships. It may help you organize your thoughts when applying for ones offered outside the college as well.
